

2014 Summer Reading Assignment for 6th Graders

READ FOR PLEASURE TO KEEP YOUR READING “MUSCLES” IN SHAPE! Read about things that you’re interested in! ***Don’t stress*** about reading level or if it counts for AR, just read!!! Read books, magazine, newspapers, or websites. Study after study after study of reading show that students who READ SOMETHING THEY ARE INTERESTED IN several days a week become stronger readers than students who do not read or who read what someone else makes them read.

AR reading counts for a large chunk (20%) of the language arts grade in 6th-8th grades at BMS, so if you want to get a head start on AR points for the first six weeks, you can read and take AR tests on books of your choice in any reading level 3.0 or above **at BMS** from 8:30-9:30a.m. on June 10, 17, and 24, July 8, 15, 22, and 29, and Aug. 11.

You can also get books and take AR quizzes at the Bulldog Book Mobile this summer on these dates at these locations (Notice that the stops are only 20-30 minutes!):
